

WE TRANSPORT GREYHOUNDS
TO NON-RACING STATES AND CANADA

GST January News

The inaugural year is over, and the numbers are in. We've met our goal! In fact, we've exceeded our goal in placing 200 dogs this year! Thanks to our very generous and caring adoption partners, GST volunteers, and haulers, 210 retired Florida greyhounds have been placed in homes from coast to coast.

A very special thank you goes out to the adoption partners. Even with the recent track closures nationwide, you guys never forgot about the need to find homes for the Florida dogs. And with 13 operating tracks in this state, your support is essential. On behalf of the dogs, thanks!

Next, we'd like to welcome any new adoption partners to join us in our cause. If you are an adoption group and want to help, please consider us as your source for dogs. All of our dogs are sent with current vaccines, and we can send them ready to adopt if requested. It includes: spay/neuter, heartworm test and dental for about \$200. (Adoption partner pays veterinarian directly via credit card)

Lastly, we would like to tell you about our plans to hold both live and online auctions and raffles this year. We are requesting donated items for both. And we would greatly appreciate your help in obtaining items or services for these events. We have no set criteria for items or services, just things that people would like to bid on. Or maybe you have a talent or trade that could benefit GST in some way. If so we would love to have your help.

We are looking forward to this next year being as great, or better, than the first. But it won't happen without your support.

Hug those hounds,
